To: Donors to the Edmonton Japanese Christian Church,

Thank you for giving generously to the Edmonton Japanese Christian Church even as we face a pandemic.

Some have inquired about the option of using e-transfer rather than sending cheques by mail to make their offering. We are now able to accept e- transfer.

For those who would prefer to make donations through e-transfer please submit your e-transfer of \$20 or more to [ejcc.offering@gmail.com](mailto:ejcc.offering@gmail.com) through your online banking system. We would prefer that e-transfers be made on a monthly basis rather than on a weekly one (we incur a small charge when accepting your donation). Please be aware that you may also incur a small charge depending on how service charges are structured at your bank.

Please note that those who prefer to send cheques, may continue to do so.

Thank you again for your support.

Sincerely,

Motoi Aita (Treasurer)
